The ANMAC accreditation assessment timeframe is usually 9-12 months and commences in Step 3 'Assessment' as per the Program Accreditation page on the [ANMAC website](#).

Once your program has been assessed by the Assessment team, you will receive an Outcome of Accreditation Assessment Report and your program will be added to the relevant accreditation committee's meeting agenda.

Please note that the NMBA program approval is NOT included in ANMAC timeframes. It may take up to 8 weeks for ANMAC accredited programs to be approved and added to the NMBA Approved Program of Study list.
